PI is expected to submit monthly brief report of the activities as per plan scheduled and also expected to submit final report within two months after the sanctioned project period.

PI is expected to submit the invoice against expenditure every month. Appropriate taxes will be raised, as per the case.

Please note that the sanctioned amount though is paid in advance, appropriate reports need to be sent to the JPSS office.

Please note that the 10% of the sanctioned amount will be released only after the submission of the final report.

All the best!
